

We Are 35!

This year, Bentsi-Enchill, Letsa & Ankomah proudly celebrates 35 years. From 1990, we have partnered with clients across Ghana, Africa, and beyond to deliver trusted legal solutions and shape industries. As we mark this milestone, we honour the legacy of our founders, the dedication of our people, and the partnerships that have made this journey possible.

To commemorate this anniversary, we are rolling out a series of special initiatives—including the launch of our SME-focused CAPITALISE Project, the special edition of K.B.E. Memorial Lecture, an Alumni Networking Event, and a Client Engagement Art Exhibition. Each event reflects our ongoing commitment to advancing legal practice, empowering communities, and celebrating the relationships that define who we are.

A message from the Partners

As we celebrate 35 years of Bentsi-Enchill, Letsa & Ankomah, we take this moment to express our deep gratitude to all who have been part of this journey.

To our clients, thank you for your trust and partnership. Your continued support has been the driving force behind our growth and our commitment to deliver legal excellence with integrity and innovation.

To our team, past and present, your dedication, intellect, and professionalism continue to shape the reputation and values that define our firm.

Over the past three and a half decades, we have evolved in response to the dynamic needs of the legal and business landscape in Ghana and beyond. Today, as we reflect on the legacy built by our founder, Kojo Bentsi-Enchill, and the many milestones we have achieved, we are also looking forward with a renewed commitment and remain steadfast in our vision:

to be a pioneering legal firm that delivers forward-thinking solutions, invests in people, and contributes meaningfully to our communities.

The next chapter of our journey will be defined by deeper client engagement, greater innovation, and a continued focus on developing the next generation of legal talent.

Thank you for being part of our story.
